Merge legend idle tower defense mod

Descriptions: Goes TD Idle Tower Defense - a beautiful project where beautiful graphics, simple décor, the kind of Tower Protection, a combination of elements and an endless way reflection on zombie attacks have been successfully mixed. The enemy moves along the road and must not let him reach his destination. It is necessary to place towers and stitch together, to create new models and to make sure that everything is ready to increase the number of enemy troops. The project is ideal for those who do not like it when the interesting process ends quickly. Features: *30+ turrets to unlock! * More regions to explore! * Defeat waves and waves of zombies! * Earn gold when you're not there! * Play online or offline! No connection required Takedown zombies in this unique Idle Merge Tower Defense game! Zombies terrorize the earth, and we need your help! Fight against hordes of zombies by building defenses!
